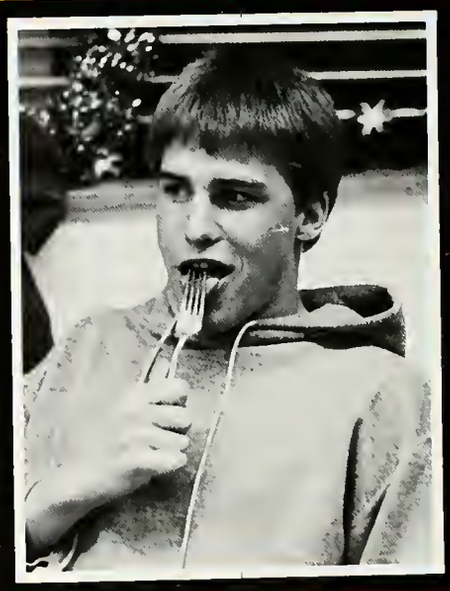
Fort Wayne, Indiana

VOLUME 20

We're all in it together

Although Snider is a large school, there is a special feeling of togetherness. This results in an atmosphere of loyalty, trust and happiness. Because Snider represents such a vast majority of students, the school can be many different things to different people. It can be the eager anticipation of an upcoming event or the rewarding satisfaction of a well deserved grade. Whatever the situation may be, it's no doubt, "we're all in it together".

We're all in it Together

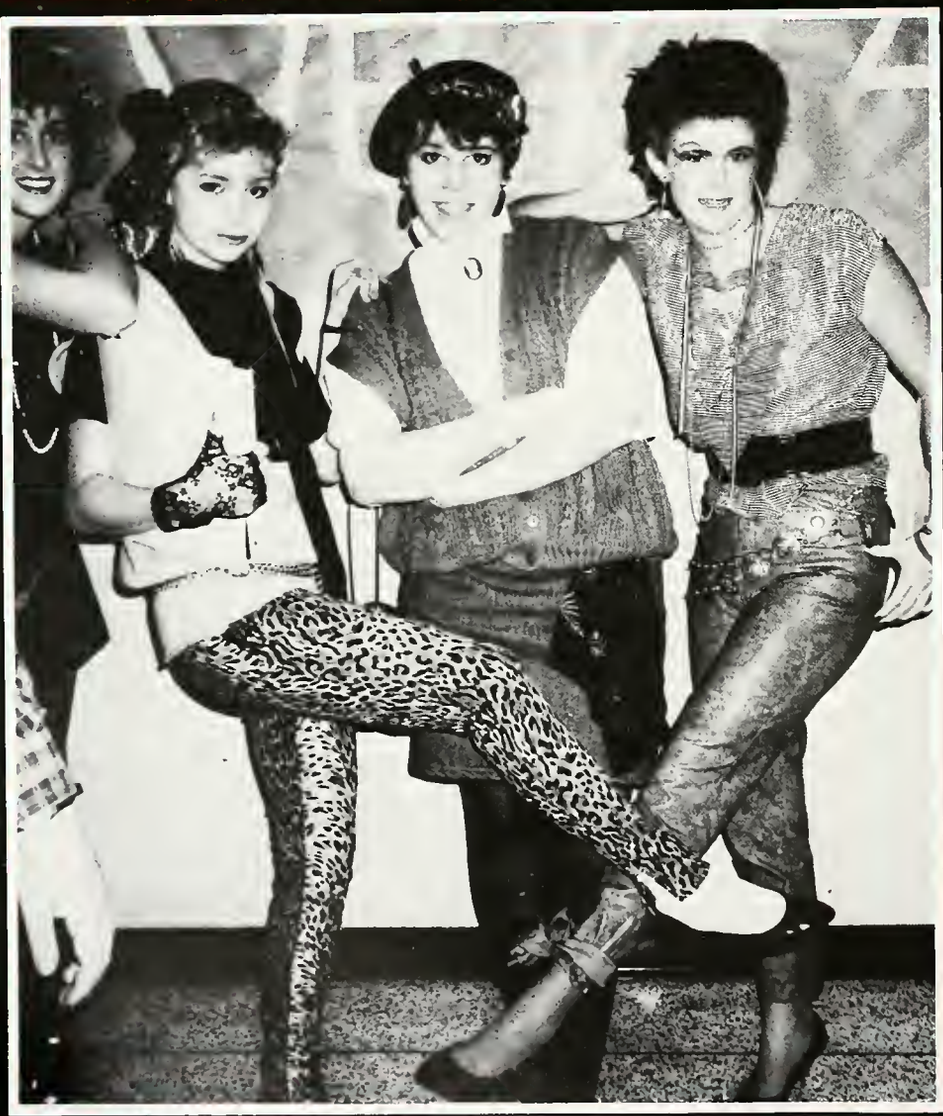


To all Panthers, the sights and sounds of high school will remain as tangible as a diploma and grade card. Cheers rising over a football field on a fall night, odors along the science hall, the clacking of typewriters, the din of the cafeteria and the hush during a foul shot are things never to be forgotten. Even though each student has his own goals, they will be influenced by their experiences during four years at Snider. Although we may not be together forever, the special memories will live forever.

Long Days. Short Nights.

The routine school days become very long and tiring. To most students, time seems to go slow during the afternoons, and quickly in the evenings. Snider teens find it hard to concentrate on studies when big plans for the weekend are on their minds. Kids enjoy being together at school, but being together in the prime of night life is much more exciting.

Dressing Up Is Half the Fun



a We're all in it together

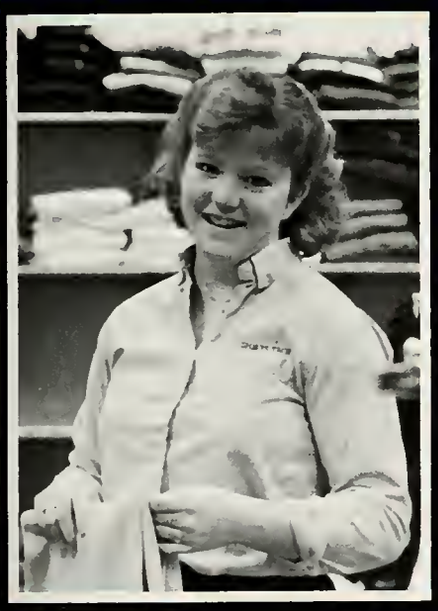
It's always fun to take a break from the regular routine of school and get crazy. There are continuous happenings going on at Snider. The spectacular activities include dances, spirit weeks and athletics. Dressing up for these occasions is really half the fun.

You Don't Have To Shout To Be Noticed

The spirit of togetherness is felt at Snider. Students have developed very special friendships. Friendships ease the pain of growing up. Sharing secrets, baking cookies, crying and laughing together, are an important part of true companionship. Friendship is accepting each other's strengths and weaknesses with loyalty and honesty. Good friends make high school a happy, memorable experience.

Sweet Dreams Are Made Of This

Money Troubles - We have all experienced it, worried about it and complained, but every week, no matter what, we end up facing the same dilemma, no money! Spending is the easy part. Whether it is a basketball game, a restaurant or that car, the money goes fast. Obviously, the more money we have, the more we spend. It's a sweet dream.



Rev It Up Black and Gold

Throughout the hallways, Snider students can be seen wearing their true school colors, black and gold. Sweatshirts, jackets, and hats, all the way down to bobby socks, follow the color code. The Panthers are enthusiastic and proud of their school. What better way to display the Snider spirit!

Juniors win hands down

The highlight of Spirit Week to most Junior and Senior girls is the Powder Puff football game. During the tough practices, the girls managed to have a fantastic time while gaining experience. Although the Seniors played well, the Juniors came out on top with a score of 18-6. This second win for the Juniors is the start of a new tradition here at Snider.

Juniors pose confidently at practice.

Attempting yardage, Junior Angie Sheets makes her way through the senior defense.

Seniors Eva Jinks and Angie Rudolph look rough and tough while Elbert Starks stands pretty.

Seniors Beth Manke and Leslie Hoyle do a little of their own celebrating with Junior Beth Anderson after the game.

Senior Deanne Priddy struts her stuff across the field.

Seniors show their spirit saying that they are number 1.

Dear God, what can be said about this group?

Court Arrives on Wheels

Elegantly dressed, Lori Kretzman and Amy Witmer beam with joy.

Homecoming this year stands out more than ever before! The court was brought into the stadium by five luxurious convertibles. The four senior attendants waited in anticipation for the crowning of this year's homecoming queen, as Tom Dibella introduced the court and their escorts. After the court had been announced, Fred Merritt crowned Denise Eppes as the Class of 1985's Homecoming Queen.

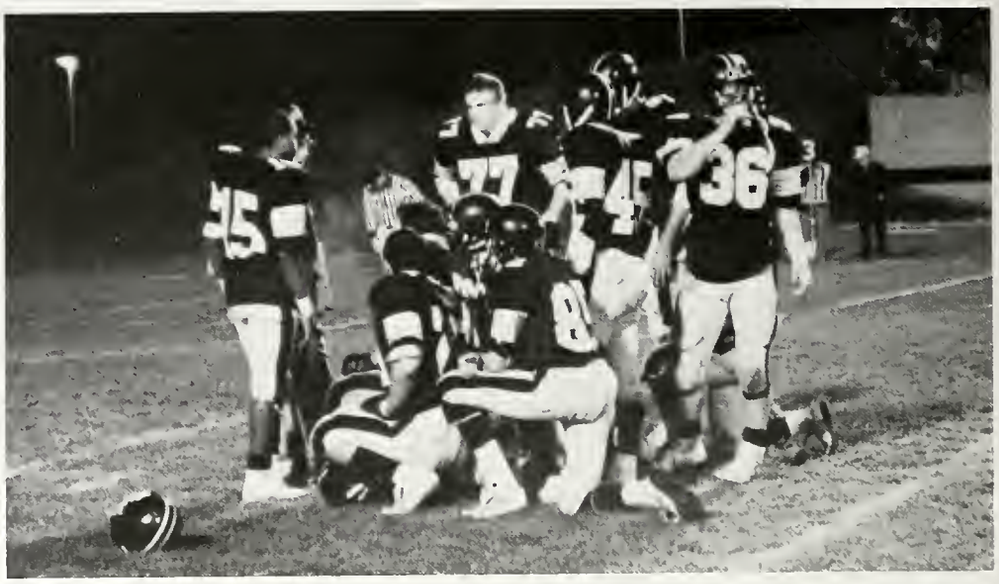
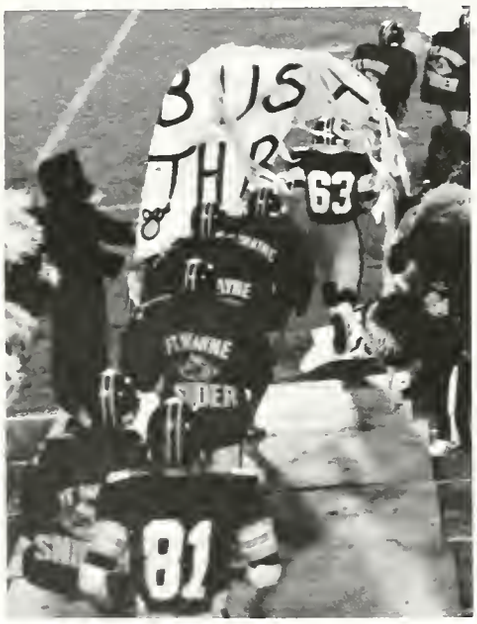
Football Frenzy - Homecoming

Wow, what a week, with a perfect night ending it all! It began with the tailgate party at Spuller Stadium. Everyone brought their favorite food and enjoyed it with friends. The cheerleaders started cheering with Snider fans at the pep session. The court entered the stadium in four sporty convertibles and were introduced with their escorts. As the game started, the crowd was standing cheering their team on to a victory. The exciting game ended with the Panthers defeating the Saints.





Busting through the sign are the mighty Snider Panthers!

Snider offensive huddle determines the plan of attack.

Performing at half time is the Snider band.

In position to take the ball, Snider defense will help to win it all.

We have spirit, yes we do! We are saintbusters, how about you? Kim Heider, Caroline Baker, Vickie Self, Joleen Varner, Julie Petit, and Cheryl Snyder are our sweet Co-leaders at homecoming.

The call of the crowd is performed by sophomore Steve Isch which is evidence Snider Panthers are proud.

Three is no crowd! It is a Panther pack! Seniors, Staci Loftin and Jody Lanier pose with their mate.

Wade Richards and Rodney Phillips stand after the introduction, eager for the start of the big game.

"January Thaw" sparks humor

"I'm here, I ain't here in New York State!", yells Uncle Walter, who has come by to inform the Gages that Matt is back.

"I saved a cow!" exclaimed Herbert Gage as he proudly told his family about his heroism.

That was just one of the many hysterical lines tossed across the stage during the 1984 fall play "January Thaw".

The plot centered around the Gage family, who recently remodeled a broken down, old home in Connecticut. Under an old deed, however the house belongs to an old country couple named, the Rockwoods. They have been gone for six years. Mrs. Rockwood assumed they were dead and bought the house. But, the Rockwoods returned!

The laughs began as both families fought for possession of the house.

The combined enthusiasm of the student body and faculty, along with the excellent performance of the cast under the direction of Mr. Terry Tucker, made this an event to be long remembered.

Dance highlights holiday season

This year's Winter Semi-Formal was a huge success. There was a touch of Christmas in the air upon entering the festively decorated hall. Many people were dancing, while others sat at the tables and enjoyed the refreshments. The band, "Profile," played hours of fun and relaxing music.

The new tradition of holding a Winter Semi-Formal has proved to be an exciting way to celebrate the holidays.

While discussing activities taking place after the dance, Snider students glance at the camera; Brian Lawson, Jaime Spuller, Kevin Varner, Cindy Lewis, Michele Bosserman, Tim Hughes.

Juniors Craig Hittie and Jana McClain celebrate the Christmas spirit.

Janet Tsiguloff and Phil Pidd, a handsome couple, are evidently in love.

Snider students take advantage of the festive dance floor.

Dancing to a slow melody, Seniors Mike Matthews and Kathy Surso look very happy together.

It's always nice to take a short break and taste the punch.

Anne Schell and Joe Waffle cleverly pretend to exchange gifts during the dance.

MORP "EASY LOVER" hit!

The 1985 MORP was a night filled with fun and excitement. Girls took their dates out for dinner any where from McDonalds to truck-stops. Students livened up Snider High School halls by wearing clever and outlandish outfits. They were beachcombers, prison inmates, and football players. Charles Jemison was crowned MORP king and received a beautiful bouquet of weeds. It will surely be a dance remembered by all.

David and Jennifer are obviously in love.

Students wait in the crowded hallway for the crowning of the MORP king.

Rhett Kilmer and Sarah Randall make a perfect picture of Boston Celtic fans.

Sophomore Ronette Woodson crowns her sweetheart, Charles Jemison, MORP king.

Larissa Steinberg and Kirsten Ruble seem happy with their choices of MORP dates.

The Extravaganza!

"Lift Every Voice and Sing!" was a new addition to the talent/fashion show.

The Afro Heritage Fashion and Talent Extravaganza, "Legends Past and Present", was an especially big success this year. More than seventy students enthusiastically gave their time and talent on stage and behind the scenes. Seniors who worked especially hard to make their last year at Snider memorable were: Tonja Edwards, Tim Haywood, Rita Jackson, Charles Jemison, Diane Jordan, Tracy Keys, Victor Turner, Derrick Van Dyke, Denise Eppes, John Tucker, Aretha Green, Willie Henderson, Kim Sharpe, Andrew Haberly, Brian Shepler, Adrian Harper, Xavier Carr, Derrick Eley, Terence Bramley, Tangela Fuqua, Tim Lindsey, Gwynne Link, and Tracy Robinson.

Once in a Lifetime

The 1985 Snider Prom was held in Walb-Memorial Union at IPFW. It was a beautiful scene with fresh flowers and lovely bridge. Susan Weaver was crowned Prom Queen. Student Council

Student Council is an elected body of students who serve a dual purpose: to plan service and social activities and to serve as a liaison between students and faculty. The 1984-1985 Student Council worked extremely hard. Different from last year, they were unable to meet during school and Dr. Annie Duvall has been the main coordinator, with Mr. Weaver, the sponsor.

The Student Council has accomplished its goals this year by sponsoring several fun and successful events, such as the Annual State School Christmas Party.

Amy Witmer, Dr. Duvall, and Eva Jinks gather up the presents for the State School Chrismas party.

Fred Merritt, Student Council President, asks for some volunteers from the group.

The Snider Marching Band had another successful season in 1984. The first major accomplishment was at I.S.S.M.A. District competition where they received a first division rating and the opportunity to advance to Regional competition. There they placed in the top five bands in northern Indiana and advanced to State competition in Indianapolis. Performing for the first time in the Hoosierdome, the band competed against the top ten bands in the State and was awarded the trophy for fifth place. Some of the band's other achievements were: placing second at the Lafayette Jefferson competition and being named top band and festival champion at Howe Military School. The Band's show selections were "Oriental Stuff", "Canto", "Witch's Dance", and "Rising Star". Mr. Jack Gardner, director, was pleased with the year the band had and hopes next year will be even more successful.

Senior Karen Kaufman, a member of the club, commented, "We want to get kids interested in the problem of drunken driving. We'd like to get new groups started in schools that don't have one, and strengthen present ones."

Spanish students enjoy

The Spanish Club is open to all students currently enrolled in any Spanish class at Snider. The club offers many opportunities to learn about the cultures of Spanish-speaking countries and to simply have fun. The club's first event was a Mexican dinner at Bandido's. There were also after-school tertulias: small meetings in which typical food from a Spanish-speaking country was served. The celebration of the "fallas" was once again a big success! The students decorated cardboard boxes and later burned them in a bonfire. The last activity of the year was a picnic for all the foreign language clubs.

Latin Club - a success

Latin, although not a spoken language, is still used in a variety of ways. Snider's Latin Club proved this to be true.

This year, the Latin Club began with a Noble Romans' pizza party where they selected the officers. In December, the Latin Club threw a Christmas party where they enjoyed singing songs in Latin. March brought on the annual Roman Banquet which topped off the school year for the Latin Club.

The Latin Club lives it up at the Roman Banquet in their togas.

Special year for Germans

The German Club celebrated many special events this year. Still as strong as ever, the club sampled German cuisine, learned German dances, and took part in German traditions.

The club invited all other language clubs to attend the annual Oktoberfest. It was a hit! In December they decorated a Hungarian-German Christmas Tree. Later in the year, the group got together at Zoli's Cafe for a night filled with laughs and divine eating.

Speech Team Speaks out

Speech Team gives students self-confidence and teaches them not to be afraid of strange audiences. The 1984-85 Snider team was one of the most successful in the school's history.

Sectionals were held at Northside and Snider finished with a fourth place sending eleven of the speech members on to Regionals at Homestead. Jennifer Beinke, Tom DiBella, Kevin MacDowell, Matt Faley, Micheal Patterson and Sam Thong all advanced to State. Senior Matt Faley was the Radio Broadcasting Champion.

Six students went to San Francisco: Tammy Nash, Terence Bramley, Terri Heathman, Lori Kratzman, Todd Walsh, and Bobi Bregin. Tom Loomis was elected Indiana D.E.C.A. State vice-president. COE Shows Skills

Cooperative Office Education (COE) is for senior students who would like to put their business skills to use in an office situation. A student applies as a junior and is placed in an office where he/she has a supervisor. The student is also paid and gets three credits a semester.

There is a class during which officers are elected and the program for the year is planned. This year COE typed both the student phone directory and "Images". Each student participated in Office Education Association contests, fund raising, a ski trip, and a banquet.

OVERTIME

No Pain . . .

In the last few minutes of the game, the score tied, players summon their remaining strength to score the point which carries the team to victory.

Without the right training, athletes wouldn't have the drive or the stamina to run that extra yard to go to the finish line. That's what makes Snider athletes a breed apart.

No pain. No gain. It means hours of practices, conditioning and perfecting. It means having a good mental attitude at all times.

At the end of the year, Snider athletes are recognized at the Athletic Banquet. Most Valuable Player, Mental Attitude and scholarships are presented at this time.

Panthers have super season

The hard work put into the football season this year really paid off. The team finished with eight wins and two losses. The Panthers started the season by defeating Wayne. They then went on to a victory in the majority of the games. Unfortunately, Northside and Harding slipped through the Panthers' grip. They ended a unexpectedly successful season with a defeat over Logansport.

There were four players that made the First Team All-SAC list: Todd Light, Brock Rohrbacher, Elbert Starks and Greg Taves. Representing the Second Team on the All SAC list were: Jeff Martin, Mark Roemer, Marc Skelton, Tommy Smith and Michael Wespon. Coach Mike Hawley highly respects each player and feels each deserves the honor.

Frosh have powerful season

Another Freshman Football season showed once again more success for Snider in the future. Their record for the season was 7-1, only falling to Dwenger by 0-7. There was outstanding talent shown by this team lead by quarterback Kevin Kinnison.

They, like the other two teams won over rival Northrop and went out on a winning note against Wayne. The Freshmen took first place in SAC.

Reserves go for all they can

Again, needless to say, the Reserves ended another typical Snider winning season. Their record shows one defeat to Northrop, but meeting when the Reserves took Northrop in the revenge match, going out on promise with shut-outs over North 30-0.

They learned how to escape the threat of "over-time" syndrome which the varsity seemed to carry. Tim Haffner, reserve quarterback, threw a 47 yard pass completion to Billy Kesterke to break the tie in the final ten seconds of the game against Dwenger. With the returning juniors and sophomores combining to make up the "85" varsity team, there is a lot of potential for great Snider Football.

Reserve Team: Row 1: Kevin Varner, Bill Anderson, Ben Johnson, Chris Perkins, Bobby Bohlender, Paul Koehl, Lee Cline, Brett Gemlick, Eric Grantham, Row 2: Lance Hartman, Brian Cook, John Thomas, Gerald Johnson, George Keller, Steve Scott, John Espy, Eric Eastes, Allen George, Row 3: Brian Losten, Vaughn Dunbar, Eric Brooks, Mike Macdonald, David Swinhart, Adam Crippin, Troy Bratton, Dan Schmidt, Row 4: Managers - Amy Hole, Jill Metzger, Angie Buuck, Joe Lyons, Ryan Hawley, Mike Gephart, Row 5: Coach Roberts, Coach Fast, Coach Bush, Coach Schaffer, Dave Ellison.

Gold Rush runs to State

The Boys Cross Country team had an outstanding year. Finishing this season with an 18-0 varsity record and a 15-0 reserve record. They were also Hokem-Karem, Northrop Invitational Senior and Sophomore, Manchester, SAC, Sectional, Regional, and Semi-State Champs. The Panthers had a disappointing finish at State, finishing 16th. There were six members of the team named All-SAC: Victor Turner, Doug Sawyer, Doug Nern, Patrik Kjellgrem, Tim Duncan, and Jeff Salay. Victor Turner was the individual SAC Champ and was named to the All-State team. The Mighty Panthers were led by many Seniors: Tim Ackerman, Tim Duncan, Patrik Kjellgrem, Mike Kolb, Jim Langlet, Jeff Salay, Doug Sawyer, Todd Smith, and Victor Turner.

Girls end season with 17-1

The Girls Cross Country Team's motto - "Be the best in whatever you are," summed up their season well. Finishing with an outstanding record, the Lady Panthers were the best in what they did - Run! They ended with seventeen wins and one loss. After the regular season, the girls traveled to Sectionals, Regionals and finally on to State. With a first at Sectionals and Regionals, the team felt good about their big chance in Indianapolis. They placed 15th at State.

Invitational results included: Fifth place in the Hokem-Karem, second place at the Northrop Invitational, a third place at the Manchester Invitational, a fifth at the New Prairie Invitational and a third place at the Adam Central Invitational.

With a large majority of the team returning next year, the Lady Panthers should remain at the top.

Netters take sectionals

"This was an outstanding team which compiled the second best record in the school's history."
- Coach LaMar Kilmer

This year's tennis team lived up to high expectations by remaining undefeated in the SAC. The team also fought its way to a Sectional Championship before losing to Homestead in the Regional match. This year's SAC Championship was Coach Kilmer's second in two years. Earning All-Sac honors were: Dave Swanson, Rich Galbreath and Dave Van Wyngarden. Mike Rivera and Mike Sylvia also earned enough votes for Honorable Mention. Although the team will lose five varsity players, next year should bring another outstanding season.

"We were disappointed to lose some close matches. However, we played well at the Sectional and were pleased to have two girls advance to the Regional."
- Coach Connie Kinney

The long hours of practice that the Snider Girl's Golf Team put in this year were rewarded with a nice season. With only one senior, the young, inexperienced team posted a 7-9 record in Sectionals. Two girls, Senior Lisa Leonard and Freshman Lori Stinson advanced to Regionals where Lisa shot a score of 91 and Lori had a 97.

Volleyballers earn respect

The Volleyball team had a winning season; the varsity finished with twelve wins and six losses. "The team played very well," Coach Gary commented, "the teams we lost to were good teams and went on to be Sectional or Regional champs." The reserve team ended its season with a 13-1 record so the following year looks good. Jill Taulman lead in many of the SAC standings and made first team SAC. Jane Weaver, who played all-around, and the setter Mich Long, made second team SAC. In the middle of the season, the team played in the Concord Invitational and won three out of the four games.

"The years of hard work resulted in a great season (12-6) which featured exciting and tense matches!"

Cagers Show Pride

Although the Snider High School boy's basketball team didn't have a winning season, they were very competitive. Throughout the season there were many ups and downs. On the night of the Marion game the gymnasium roared with excitement and cheers. The game was definitely a close one, but unfortunately first-ranked Marion took the victory. The team did well in Sectionals this season despite a loss to Northrop after beating Woodlan and New Haven. The 1984-85 basketball team will be remembered as a close knit group, striving for perfection and improvement throughout the season.

Junior Craig Glover awaits the rebound.

Finishing another year, the Snider Reserve basketball team came through with an 11-9 slate for the season. In the best team effort for the season, the Reserve beat an outstanding Bishop Dwenger team after a loss to them in the Holiday Tourney. Also, they had an early season, "come-from-behind" victory over Southside. They will form a strong nucleus within the varsity team next year.

Jane Weaver and Jeanne Wuest were selected to the All SAC Team. Donna Gill made second team and Leslie Wimes was Honorable Mention even though she was injured much of the season.

The season ended with a disappointing loss to arch rival Northrop.

"It was a great group to work with. We had excellent senior leadership from Jane Weaver, Jeanne Wuest, Leslie Wimes and Jill Taulman."

Wrestlers finish third in State

The 1984-1985 Panther Wrestling season was one that started with high hopes, beginning with a squad that had nine wrestlers with varsity experience. They easily fulfilled the first of their goals by capturing the S.A.C. title for the ninth straight season. The Sectional proved to be an easy task as ten wrestlers qualified for the Regional. The regional was not as easily captured, but the wrestlers were able to qualify seven men for SemiState. Although SemiState was a disappointment, four men still advanced to state, Derrick Van Dyke, Bill Schnabel, Todd Wilkins and Elbert Starks.

Wilkins received a second place in the state and Starks became Snider's third State Champion and the first Fort Wayne wrestler to place three consecutive times in the State Tournament. As a result of Todd and Elbert's efforts, the Panthers placed third in State, the highest finish ever by a Fort Wayne school.

Senior Barry Menor pulls a stack on his opponent.

"This season was one that had its highs and lows but ended as the best in Snider's history."

Although the team was very young, they managed to have an exceptional season.

This is Mr. Jim Edwards first year being the boys golf coach, after taking over from Mr. Bruick, who retired after a long career. The team promises to be a real contender in the years ahead.

Emphasis on tradition

This year saw the return of the traditional English program at Snider High School. Teachers worked long and hard attending numerous after-school meetings in an effort to unify the curriculum with the new text books arriving. A step-by-step semester plan emerged encompassing all aspects of language study including literature, speech, and drama.

The nine-week elective courses of years past, which enabled students to choose a variety of courses in a sort of "smorgasboard" approach, have all but gone by the way side. Although the same basic skills of reading, writing, listening, and speaking have always been stressed, most educators agree, that the consistent application of them over a four year period at the high school level, is still of the highest consequence to students in today's world.

The Social Studies Department is enriched with a large variety of courses. World History is the traditional manner plus electives like Anthropology, Good vs. Evil offer enrichment. The curriculum of the mathematics department offers a wide variety of courses for the varied interests of the students at Snider. Although only one year of mathematics is required for graduation, a large majority elect to take two or three years and as many as twenty percent take as much as four years. Today, high school students are beginning to realize that not taking mathematics courses frequently closes doors to future career opportunities.

The department continues to encourage participation in extracurricular mathematics contests. Two of the newer contests which pupils participate in are: the Indiana Mathematics League and the State Mathematics Contest sponsored by the Indiana Council of Teachers of Mathematics. Snider pupils have represented their school well in both these activities.

Science Department

Scientists win awards

Each year many Snider students participate in science contests and activities, and 1985 is no exception. With Science Fairs, National Science Olympiads and Chemical Society Contests among the events, there are many opportunities to demonstrate skills. In 1984 Snider students won twelve different awards in Regional and International Science Fairs. A ten-member team placed third in the nation in the National Science Olympiad in Chemistry and placed second, third, and fifth in the Regional American Chemical Society Class. In a nationwide survey test, a Snider Physics class scored 15% above the national average. These are just a few of the achievements made each year by Snider science students, many of whom go on to careers in science, medicine and technology.

Foreign Language

New Dimension In Foreign Language

This year has been one characterized by intense work by foreign language teachers and students alike. New textbooks required a great deal of preparation by teachers and were well received by students. As always, extracurricular activities through the Foreign Language clubs, as well as field trips and special activities, complemented the hard work. Spanish students participated in the "Christmas Around the World Celebration" which took place at the Ft. Wayne Public Library, and exhibited their crafts in the library's Gallery.

German and French students transformed their classroom into typical German and French winter scenes. Many Foreign Language students also participated in the second annual Foreign Language Festival held at IPFW. To top off the school year, Snider was fortunate enough to welcome foreign exchange students.

Physical Education

Let's Get Physical

The Physical Education Department tries to develop an appreciation for sports and activity. The staff stresses the importance of physical fitness by incorporating activities which improve cardio-vascular fitness as well as overall muscle tone. They further stress the importance of teamwork, sportsmanship and fair play. The importance of taking social development classes through competition helps the individual through team sports and lifetime sport activity. Students are expected to use their minds in a variety of ways, ranging from choreography to establishing patterns in the use of muscles. Students are also expected to pass written tests or papers on sports in which they participate. The staff encourages students to participate actively and develop confidence in participation of sports.

Varied programs offer skills

The Business Department offers a wide range of courses to meet the varied needs and interests of Snider students.

Skill areas, such as keyboarding and shorthanding, help to prepare students for employment in the office. Courses such as accounting, business law, and business organization and management help to give a good business background to those students who plan to major in business in college. Students may elect typing or college notehand for their personal use. Keyboarding skills are essential for efficient computer operations.

Marketing and Distributive Education and Cooperative Office Education have offered on-the-job training for seniors for the past several years. Students may even earn credits wages, and valuable experience in these programs.

Practical Arts

Planning for tomorrow

At Snider High School we consider Industrial Arts and Home Economics an important part of the general education of the students.

Industrial Arts offers the opportunities for its participants to learn to make constructive use of leisure time, both today and in the future as well as being a good foundation for technical, and vocational programs. Some of the courses offered are: General Shop, Woods, Metals, Drafting, Power Mechanics, Electricity, and Graphic Arts.

Essential everyday living skills are emphasized in the Home Eco nomics Department. *Human Development* and *Singles Living* provide learning opportunities about life and consumerism. Fine Arts

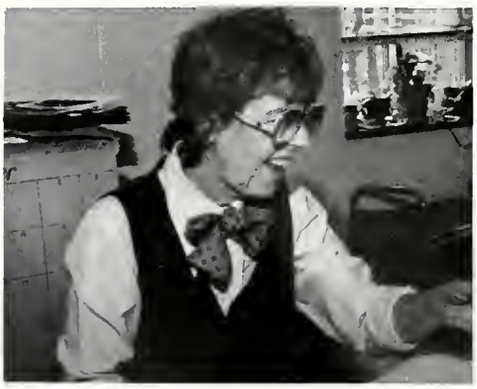
Offers Variety Of Activity



The Snider Fine Arts Department has, in the past years, given itself a reputation of excellence. Snider Drama productions are always eagerly anticipated by the community, and Panther bands are great entertainment for breaks in plays, sports events, and of course concerts. In addition, the Orchestra and choirs provide hours of enjoyment during their concerts.

Art classes enrich students' lives and develop cultural appreciation, through hands-on experiences with various types of materials and techniques.

Photography skills can be learned from the basics, to the more advanced work with color printing. Students' work can be seen on display in the main hall showcases. The Snider Fine Arts department is indeed a cherished part of the local community.

WRNS staff airs Panthers Pause weekly

Kathy Surso, Mike Kolb and Deanne Priddy anchor the weekly "Panthers' Pause."

The 1984-85 school year was the second for "Panthers' Pause," a weekly television show, written, directed, and edited by Snider students involved in the TV Broadcasting class. It was a successful and rewarding year with many changes. The student anchors of the show changed at semester break and a sports anchor was added to the crew. There were many advancements technically. The group inserted actual footage from sporting events and some activities were filmed on location. Not only was "Panthers' Pause" viewed in the classrooms at Snider, but also served two cable systems. New goals are being set for next year, undoubtedly they will be achieved by this hard-working group.

Panthers' Pause staff: Standing - Diana Stauffer, Suzi Lipp, Kelly Townsend, Cindy Meyer, Stephanie Taylor, Kim Munger, Dave Bolinger, Sean Garber, Mike Wessel, John Behm, Bill Schnabel, Rob Taylor, Matt Faley, Seated - Kathy Surso, Mike Kolb, Deanne Priddy.

Snider's sets designed by Stage '85 crew

Stage '85 is a group of students under the direction of Snider teacher Terry Edwards who design and construct sets for all dramatic productions at Snider High School. Included in their schedule is a fall play, the Yuletide Festival, spring musical, and Sketchbook - a student/faculty talent show. Additional duties include: lighting and set arrangement for various community organizations and neighboring elementary schools.

Mr. Edwards instructs a student while building the set for the musical.

Scroll staff enjoys working as a team

Putting out a weekly newspaper at Snider takes some organization. However, once the staff members started to mesh together, as each issue goes to the printer, it becomes a rather routine procedure. Having competent writers who understand deadlines and photographers of equal ability, is the name of the game. Snider's paper was awarded All-Columbian honors this year from Columbia University for its excellence.

Girish Vitalpur, John McGauley and Editor Angie Gatchell make for good teamwork on the SCROLL.

Photographer John McGauley shows Opinion Page Editor Ted Smith how things work in the darkroom.

Yearbook staff makes memories to enjoy in the future

Showing off his cross country badge, Tim Duncan is photo-man and computer genius for the publications team.

The Safari staff always has the monumental task of pulling the entire year together in some meaningful pattern, for the rest of the school community to cherish. This takes mostly time and persistence when dealing with obstacles that constantly crop up in one's path of progress. Missing photos, copy, or names for team pictures and clubs can seem to be frustrating situation. But little by little, and sometimes in big chunks, the two hundred and twenty pages get done. Then it's all over but the memories. It's not an easy job, but then the rewards and satisfaction of accomplishment are worthwhile.

Advisor Mrs. Shaw gives us a smile during an urgent call to Watters for more chemicals for the darkroom.

Angie Rudolph, Eva Jinks, Amy Allen, and Michelle Bireley busily draw layouts for the underclass picture sections.

"85" COMES ALIVE

Senior Class Officers: Bill Schnabel (Vice President), Craig Hartman (President), Kim MacMillan (Secretary), Nicole Poignard (Treasurer).

We're proud to be the first four year class to graduate from Snider in at least a decade. The class of "85" has had some good times and bad times but we've always stuck together. The laughs and cheers we have given to each other will always be a part of the special memories we have shared. Other important memories include: the exciting North Central football game, the Powder Puff football, not to mention the close basketball game against top-rated Marion.

Individual achievements are many throughout our class. This talent ranges from Brian Shepler and Keith Fitch's musical abilities to Matt Faley's State Title in radio broadcasting to our outstanding State Wrestling Champ Elbert Starks!

The Class of '85 has always reached for more than thought possible.

Andy Elyea has fun practicing for Powder Puff football with Susan Weaver.

It's Graduation time again

Juniors Jamboree

Although the junior class is looking forward to next year, we will remember this year fondly. The junior girls won the Powderpuff game. We also had many great athletes who participated in Snider sports. Juniors took part in plays and foreign language activities. We were glad to be able to set up the prom to bid the seniors a fine farewell.

As Panthers look back on their junior year, many think it was their best. Maybe that's because of all the great parties, friendships and spirit we had.

"Good Times here again" for Sophs

Sophomore Class Officers: (Left to right): President Sam Thong, Vice-President Christina Cain, Secretary Vicki Self, Treasurer, Wendy Holocher.

With a year of experience at Snider under their belts, the sophomores emerged from the breaking-in period with the hope of making this a year to remember. The class participated in various activities around school, making their contribution to keep Snider High School at the top, where it has always been. The foundations begun last year in academics and extra-curricular activities helped them to improve immensely. Every one of the 550 students, together, has created an inspiring standard. The class has turned in a successful encore performance and looks forward to continuing their tour de force next year. Indeed, good times are here again!

Freshman class biggest ever

The biggest freshman class yet started out the year with a successful mixer. Since pep sessions were discontinued this year, at least new students did not have to be sitting in the worst seats in the gym. Things fell quickly into place, and the frosh managed to get adjusted to the crowded halls and busy life of Snider High School.

Class Officers:
Beth Saferstein, Secretary, Dana Stewart, vice-pres. and Traci Kircofe, treasurer; president Matt McCants was not present.

Students eagerly wait for Biology class to begin.

Learning to type on camera can be a chore for Cindy Butler in her typing class.

The best time to get into your locker Vince Vanderlaan found out, is when no one else is around.
